

**A Flash Mob was organized within the Library National Awareness Day on April
the 27th, 2017**

A Flashmob took place within the Library National Awareness Day with the participation of the students from „Ion Creanga” Republican Theoretical High School organized by Victor MORARU, Deputy Director of Education of High School and Valentina TOPALO, head of Cultural Activities Center of Scientific Library USARB.

The 10 minutes of Flash Mob was a combination of voice, music, and sound effects. The volunteers group participated in a Flash Mob story reminded the community about the importance of books, the role of libraries, which are perceived as the knowledge triangle.
